

2018 is right around the corner and we are already so excited about the vision God has for Venue Church in the new year. There are some game changing elements that are in motion right now we believe will not only take Venue to the next level, but also, you to the next level as well in your walk with Christ. Every year the "Moving Forward" offering is something that has an impact on what we are able to accomplish. The goal is to raise \$20,000.00 for 3 specific areas of vision. I believe as a congregation, we can accomplish this!! Some folks might be able to give \$25 and some might be able to give \$5,000, but with everyone doing something we can reach the goal quickly.

THE THREE MAIN GOALS:

1. Internal Impact - \$5,000.00

CHURCH SIGNAGE // AUDITORIUM IMPROVEMENTS // CHILDREN'S MINISTRY //

- Many Kids ministry, signage (Inside and outside) and stage elements need to be replaced. Those items along with some new additions will give our church a face lift to go with the new vision of 2018!

2. External Impact - \$5,000.00

OUTREACH // MARKETING //

- Having readily available funds for 2018 outreach & marketing will directly impact who we can reach and allow us to begin the year with momentum. Let's reach more people in 2018 than we ever have with the life changing gospel of Jesus Christ.

3. Operational Flexibility - \$10,000.00

GENERAL BUDGET // MARGIN // DEBT REDUCTION

- Budget health in the beginning of the year is crucial to the rest of the

(OVER)

- year. Reducing debt and creating financial margin actually creates pathways for more ministry opportunities outside the church and more life impact inside the church.

IMPROVEMENTS // MORE REACH // GREATER IMPACT
TOTAL: \$20,000.00

HOW CAN YOU PARTNER WITH US TO REACH THIS GOAL?

It is pretty simple. There are two ways:

1. **PRAY:** Pray about what God would have you to give. Pray for all God is going to do in 2018 through our church. Pray about what your financial part is and then listen to what God tells you to do. Pray that the finances you are giving can be stretched way further than what is naturally possible.
2. **GIVE:** Give online or in person at the December 24th Service. You can give online at: www.VenueChurchGiving.com

Thank You for partnering with the vision of Venue Church in this very pivotal stage in the life of our church. We are excited to see how God uses this end of year offering to reach, restore and release our communities with the life-giving message of Jesus Christ!

~Venue Church Lead Team
